

April, 1931.

16 Thursday. Fine day. Ella cleaned up the garden and had a bon-fire. This afternoon she cleaned the spare bedroom. Walter & Vernon went to the Elora Horse Show this afternoon. This evening Walter, Ella & Vernon took Emerson Stange and Anna Mae Miller along to Elmira where Bishop Dunlap spoke on "Evangelism".

17 Friday. Clear and windy. Donald Macdonald of Elora brought a Bissell Spring Tooth Harrow this morning and Vernon cultivated the field beside the garden and Walter sowed it. Tonight, Walter & Ella took Grandpa Maurice along and went to Elmira where Rev. Coburn of Toronto gave a splendid address on "The Four Major Problems of Modern Society".

18 Saturday. Lovely warm day. Walter butchered a pig for Chas. Brownworth today. Vernon was harrowing & rolling. The last snow under the Snowball-bush melted today and Ella finished cleaning the yard.
