

San Diego won score
6 to 5 -
mother + the children went
to Clayton by street car
and I called around after
the game - we got home
about 8 P.M.

Nov 28th. Busy all day
we are leaving San Diego
tomorrow at nine o'clock
if all goes well

Took some snaps of the
house. also. Broadway,
the city hall + Santa Fe
station. some job packing
our trunks. they were
so full could hardly
get them shut. it was
pretty late when we got
to bed.

Nov. 29th - Up early this
morning. Heck the mover
called for our trunks about
7 o'clock. we left the
house about 8 a.m. drove
our car to station (Mr
Walker is to take it back
and sell it). Mrs Clayton
Francis Golden + Mrs
Bob Walker down to the
station to see us off.
The weather is cloudy
and looks like rain.
We left on time at 9
a.m. wonder if we will
ever see San Diego
again. The flowers
seem to be at their best
