MON. NOV. 7, 1898

Wea.

I rose and made the fire, we then had breakfast. The boys both went to school, I was busy outside bringing in some apples. and bedding the pigs and some other odd jobs. W. Linnbeer finished the roats, as it rained too much to get them in <sup>in a tin</sup>. I was trimming <sup>after dinner</sup> apple trees.

Ther.

TUESDAY 8

Wea.

The boys and I went up to Hendersons last night to help Phemia with the apples, she was not at home. The boys are away to school. I am busy pruning trees today again. The boys and I went up to Hendersons again they finished the apples.
