5 Saturday. Lovely spring-like day. Vernon was boiling soap this forenoon and Walter this afternoon. Walter went to Creekbank this morning and Vernon and Ella drove to Elmira this afternoon in the buggy. We did up the chores and went over to N. B. Doffer's for supper and the evening.

6 Sunday. Mild & showery. We all went to S. S. and church this morning and had the following company for dinner - Mr. and Mrs. Allen Wagner and children Beatrice, Mabel, Verna and Myrtle and Mr. and Mrs. Charles Evans and son Billy.

7 Monday. Cold and windy. Snowflurries. Walter went to Elmira with Noah Miller this morning and this afternoon we killed a pig for ourselves. Ella cleared a batch of syrup. Callers - Bill Stahlbaum and Florence, Arthur Moore, Harvey Reist and 2 Jews.
