JULY MONDAY 2 (183-182) 1923

warm day I got up very early and hilled up some of the potatoes in Bank lot in the forenoon I went over to Will Glovers and got his notes for $100.00 balance on his buggy in the afternoon Eric & Dorothy went down to Geralds for their holidays with me around home in the evening

TUESDAY 3 (184-181)

warm day I piled the matched lumber out of old Kitchen in the forenoon and I started to take the old Kitchen down in the afternoon I worked at it until late tonight

JULY WEDNESDAY 4 (185-180) 1923

warm day I worked at taking down down the old Kitchen in the forenoon around Village in afternoon I mowed part of lawn and dug up a bed for Mamie to put in some flowers and went to bed early

THURSDAY 5 (186-179)

warm day I went up to Masonic Hall and helped get ready for the Social spent nearly all day up there we all went to the Social tonight we had a great turnout
