The Germicidal Power of the Blood,

in the final analysis, is dependent upon its hemoglobin content. By encouraging and aiding the formation of functionally active, oxygen-bearing hematin, **Pepto-Mangan (Gude)** places the depleted organism in a better position to withstand constitutional infection.

Weather

A fine day

Temp.

untill about four this afternoon  
then it commenced blowing  
& snowing something terrible  
John took mella & then she road  
as far as the corner, then walked  
from there home & faced that  
terrible storm. John had sled  
& Albert helping him draw  
hay this afternoon. Mrs. Lee
