OCTOBER TUESDAY 30 (303-62) 1923

Cold and rainy I went over to Bank in the forenoon Estella and I put the numbers on the sliding Cabenet and started a chart for it, in the afternoon I put up the dining room stove after dark and got ready to go for Elsie and Mamie

WEDNESDAY 31 (304-61)

Fine day but cool we got up early and went to Kingston Dr Young and myself and brought Mamie and Elsie out of the Hospital home for dinner. the women packed a parcel over in my office Mamie went over and I stayed with Elsie Miner Simpson brought a load of wood tonight Mrs Emerson and Eliza Hicock here for supper and stayed the evening Eric and Dorothy went to the Hallowe'en party in hall tonight.

NOVEMBER All Saints' Day (Quebec) THURSDAY 1 (305-60) 1923

Fine day but quite cool around Village in the forenoon Mamie and I did a large washing in the afternoon Miner Simpson brought another load of wood tonight I did some writing tonight

FRIDAY 2 (306-59)

lovely day I cut up some of the old boards for kindling wood in the fore noon I went over to Bank for a while after dinner then I took Elsie out for some fresh air I went down to Ford Swicks and got the eleven hens I took on the plow and took them over to Lenord Leadbeaters and sold them to him at 70¢ each or $7.70 for the bunch came home for supper and went over to Jim Simpsons store and stayed there until nearly 1 O. Clock they went Deer Hunting and Jim left the store in my charge.
