355 DAYS PAST

TO TO COME

Without Digestive Disturbance.

A physician of Newcastle, Eng., writes: "The patient to whom I gave sample of **Pepto-Mangan (Gude)** was able to take it without the digestive disturbances which had previously been caused by inorganic iron preparations. She has since obtained fresh supplies through the local chemist."

Weather

Temp.

cold & blustery
Snow about four inches
last night. Pa took
Hella to school & went for
her. Joe & I washed. Maude
was home all day. Eugene
& Aleta were here for
dinner. I crocheted a
yoke for Maude & under
waist
