**IMPORTANT.**

**Pepto-Mangan (Gude)** is placed upon the market only in eleven-ounce, hexagonal-shaped bottles, terra-cotta colored wrappers, white lettering. Any dealer claiming to have the preparation in bulk or under a name resembling **repto-Mangan**, either intentionally or otherwise, practices deception.

A fine cool day & sprinkled  
a few drops about five this  
morning, but turned out  
fine. John drew manure  
this fore noon, & Mr Cox, Cecil  
& Clarence helped him  
draw out this afternoon.  
I dug two rows of potatoes  
in the garden, besides my  
other work. Wrote a letter  
to Mrs Dauce.
