

1857

18 Stormy this morning under wind & snow

19 Stormy day under snow & drift so that the cattle would not get to the water there is great drift

20 Ed went to Ganagone to the mill he took a bag of powder of which he used yesterday some do of that

21 So cold as it has been for some time back

22 Ed put the slough and quains to his harness and net go to Ganagone till today fine day in day night he got home about 3 o'clock last night

23 Still storming Ed brought part of the great bone I am giving the cows about a quart of the meal at noon every day

24 Revd Mr Millard this morning heavy rain this morning Mr Millard preached Mrs Doris Latimer funeral sermon

25 Still raining the snow is nearly all gone of the fields so that they have to break the roads in the night place Ed and others are working in the night place there is wind rain and snow at noon

26 Ed went to cross road where left his load on the 11 of the month could not get it so now he only brought half of it very little travel on the roads yet

27 Ed went for the other half of his load of wood

28 Ed went to Sand Bay and brought a load of wood he left it here the roads had yet

29 Ed went to Sand Bay brought home a load of wood fine day it looks like a storm

30 heavy rain most off the night the snow nearly all gone of the fields fine warm day the people is drawing half loads of wood

31 Revd Mr Millard preached this evening very stormy at night snow and wind Ellen went out it was so slip that she came back

Ed went to Sand Bay for wood and left it here
