

Ther.

THURS. FEB. 24, 1898

Wea.

I rose and made the fire and then prepared the breakfast. I attended to the house work and scrubbed in the forenoon, and after dinner Tina and I pieced a block for a quilt, as she wanted to learn to piece log cabin

Ther.

FRIDAY 25

Wea.

Again I rose and made the fire, we had breakfast. The boys are off to school, they are to have a debate today, I attended to the house work and did some sewing, and Tina went over to George in the afternoon
