364 DAYS PAST SATURDAY 2 TO COME

Pepto-Mangan (Gude) is a combination of organic iron and manganese, and is free from the objectionable features of inorganic iron preparations.

Pepto-Mangan (Gude) is ready for quick absorption and rapid infusion into the blood, and is consequently of marked and certain value in Anemia, Chlorosis, Bright's Disease, Amenorrhea, Dysmenorrhea, Neurasthenia, etc.,—in all cases where a general tonic and reconstructive is desired.

Very cold twelve below zero
 Melba & I went to Arthur
 Maudie is to Eugene's get
 Melba has finished the
 under waist! Yokes for the
 Sawyer girls a Christmas
 present for next year.
 I have finished hemming
 my new table napkins!
 John has been drawing
 manure this afternoon. Alfred
 Bingham was up skating
