I met Mary & Lila coming to meet me. We went down to Aunty's for dinner. Lila & I went there but Ruby, Wini & Cecit Yurick went over to Aunt Lucy's. Mr. James come over here to the farm for dinner. Mary & I come back about four o'clock it was raining quite hard then. We met George Zealand on the bridge and he asked me what had been the trouble before we left his father. He said his mother had been pretty worried over it but he knew that his Dad. was pretty hard to get on with and didn't blame us at all. It rained nearly all afternoon & evening.

Monday March 28<sup>th</sup>

It was raining when we got up this morning and turned to snow later and has been getting colder, windier and rather all day and has been about the worst day this winter. It feels worse any way after the beautiful weather we have been having. We didn't do any thing but chores to-day, but Frank and I had to get over a

couple of jags of hay on the waggon to feed the cows & horses. To-night Mary, Frank and I went down town. Frank & I went to the Vestry meeting but I didn't stay long and went over to hand practice. Mary went to see Miss Mrs. Green, she had intended going to Toronto with her to-morrow to see Clara who is home there for Easter but she got a letter from Mrs. Gorrie to-day saying asking her not to come till next week. It was freezing hard when we come home. Dad's ewe had a pair of lambs to-day one was dead and the other very weak.

Tuesday March 29<sup>th</sup>

It has been freezing all day in the shade to-day but is not quite so cold to-night. We haven't done anything but chores all day. Frank and I hauled a little hay on the waggon box over to the horse stable & cow stable. Dad went out and had a look at the ditch this morning and Frank took Joe down to have a shoe set which she pulled in the mud this other day. To-night Dad, Euah & Sid. went down to stay at Aunty's so as to be able to catch the early car easily in the morning. They are going up to-morrow to see Uncle Robuck. Frank went out to Bell Donald's so Mary and I had the house to our selves this evening.
