

got new curtains for the kitchen
& made them. The man has been
trimming the apple trees & cutting
the limbs up in wood & putting
in in the wood-shed. I made the
easi' steps all over to day & painted
them. Mrs Davis was in to see us
a little while this morning. John was
in to Clarence Cox's to night

May 24

Thursday 24

I Queen Victoria's birthday Nice day
Harry came from London this
morning & put up the screens.
Harry is working in London.
Melba & Harry went down to Port
Stanley, after dinner. We have
all been playing cards to
night. John worked the corn
ground before dinner. after dinner
he went for shingles. The boy
he old Mr Holmes over to Mr Boy's
this afternoon, he cut an artery
in his leg & bleed to death.
