out to find the old mission
We went out ~~to~~ University
to 30th st + across Madison
and after getting lost a
few times found Ward
Road. it was a nice ride
down between the hills
and across the river, which
was nearly dry. There is
an new orphan school
built now along side the
old mission. took snaps

of both. also the old wall
with cactus. which was
to keep the Indians out.
don't wonder at the cactus
stopping them. it was at least
12 feet high and 6 feet
thick with sticks a couple
of inches long. also took
the picture of the oldest
palm trees in Cal. planted
by the Padres. also a snap
of the cross erected in memory
of Padre Luis Jaime the
first Cal. martyr. Killed Nov 4
1775 by Indians. at that spot.
we see by tonight's papers
they had some earthquakes
