

27 To clean a cow

Take one Tablespoon full of ashes out
of the stove & put it in one qt. of bran
& mix it up good moisten with a little
water and a sprinkle of salt give this on the
morning & if it does not do the job another
day about eleven o'clock & if that dont do
another about four but no more than they
does on a day. Another way is to toast a
large slice of bread very brown & put water
on it & let the cow eat the toast & drink
the water

Muffins.

add two well beaten eggs to a pint of milk, & beat into
one quart flour, in which has been mixed & sifted one half
