THURS. OCT. 20, 1898

Wea.

I rose again and made the fire, we then had breakfast. S. Graydon stayed at Georges last night, he called when he was going off to work again. he is working at W. Graydons just now. I was busy making a cap for Lencie this is his birthday he is 13 years old today. I did not get Lencie's cap finished.

Ther.

FRIDAY 21

Wea.

I rose again and after I had made the fire, and had done the other duties, I finished Lencie's cap after dinner. I went over to Georges to help S. A. prepare for the threshing. it is raining this afternoon. this is our thank offering meeting day,
