

July 30th 1874. / 1874
Thursday Phos and Jno Milburn and
their wives left this evening
on the 8 o'clock train for
Brookville thence to Montreal
Quebec, Boston New York and home.
Our visit has been pleasant.

31 It looks like a wet day.
Henry and Charlotte and I
went over to the other place
in the forenoon picking berries
we got about a quart.
Mary and Henry went
down to George Huttons
~~was~~ visiting in the afternoon.
It is quite pleasant with
the exception of a high
wind.
Pa has not been very well
for more than a week but is
better today.

Saturday August 1st
Mary and I went to Falls.
I sold $\frac{1}{2}$ bushel of cucumbers
for 45 cents cash. Mary sold
Jno Wood's 19 lbs of butter
at 18 cts per lb, \$3.42.

Few in our age had 4
loads. Frobok helped us
broke waggon wheel.
Henry was working for S. Hutton
cool. The S. School was small
on account of Quarterly
meeting in S Falls.
He preaching in the morning
Mr Ward preached at 4 in
the afternoon with a very
great many out.
Very cool in the evening
feels like a frost.
I hope we won't have any
