

James Cameron Island 23rd March

Ice opened today at 7 AM
Island the old mark for the
to go Randolph here had to stop
night and go across with the
in the morning Fernandez went
to Lancaster to see and get some
the medicine from Dr. Harmer
it got it ice bad near shore
made syrup for the first time
many 7 gallons a very good
Dr. Day Stanley taken medicine
a very very fine day sap running
it well ice opening slowly lots
of shooting away down East
to South East cleaned my gun
and oiled it 10 gallons in the
to day 25th Sledgy day ammunition
mev a very fine day went to
the old house took over an axe
took a lot of cans to day sap running well

26th John Harmer Cameron
BORN DAY 1876 26 year old to day

East Wind a very very fine day ice
jamming in the channel going down
every 1/2 merris went to upper point lots of
shooting

James Cameron Island 1st of April

All Fools Day Rained
Seander went to meet the
Randolph here shot 2 Bl
Made a cake of sugar lots
some ice close to shore here
some snow on the broad
Stanley some better
is no better sheep grazing on
here they took about 10
2nd froze some last night
some went 3rd Seander to plan
4th a little Randolph here
The Dr here for the last
a very fine day put a hand
in an axe the Dr last trip
the ice in the Bay yet
frost to night lots of shooting
at Na-Houtas or Carant
Island or ge with Island
Snake Island as no nothing
call it this is St Amrose
5th very fine Mr Arthur Harmer
and 2 Boys of Lemays he
Bought a Gallon of Syrup
6th of unfortunate day Adelaide
James R and Randolph here
Day 4th the Boys in the Bush met
Tabby E Wind Gordon crossed
Bakers he was shooting

new house on
