

1885

Nov 1st The Rev W. Stenhouse preached here this evening. Mr. Samuel
main most of the day with Penman came for him this morning took him to Fairfax
a little snow and Sand Bay and brought him back here at night

2 snow last night with a little frost and some today we
cleaned up 11 bags of wheat and 18 of oats for feed

3 Ad went to Casott with the grain he did not see wheat
ground the mill was full of wheat he will not get till
the express

4 snow this morning Ad put away the ground feed
and other chores blustering day

5 Ad went to Sand Bay & brought home a load of
raime stuff for the greenery fine day

6 Ad brought 2 long logs 24 feet and 2 14 feet and other
stuff for the sills of the greenery cold day

7 Ad went to Sand Bay this morning and home a load
of timber for a icehouse at home fine day
the 3 year old
called this morning
bull calf

8 the Rev W. Stenhouse preached this morning very fine and

9 Ad worked at his icehouse this forenoon he went for a load
of sand at noon it began to storm wind and snow
about one o'clock there is a fearful drift the snow is
blown all away to the north

10 very cold this morning Ad went for a load of sand

11 they died then saw this forenoon and saved
some in the afternoon cold windy day

12 finished the saving at Wallace this morning it
went for the grain to Casott it was not ground
and will not till winter it would be there is no water

13 Ad & the man down went to the place of hay
for Wallace it was cut on his own place the
last part of it has three inches of snow last night

14 Ad & the man down went to the place of hay
brought off it here

15 went to Sand Bay with James Mc Mullen to a session
meeting Rev W. Stenhouse did not get there though Mr. Hay
would have brought him and he did not so it so there was some
-son W. Alexander Carman read a chapter and prayed

Rev W. Stenhouse preached at night here very few out
Mr. Hobson was to have come for the minister this morning
it was so stormy snow and wind the roads is completely
blocked up there no such thing a horse getting through
