329 DAYS PAST

SUNDAY

37 TO COME

The "Toning" of Blood and Tissue.

During the prevalence of Grippe, Typhoid, or other infectious disease, systemic invasion can often be prevented by "toning up" the blood and tissues. **Pepto-Mangan (Gude)** raises the general tone of the organism, and increases vital resistance, by augmenting and enhancing the corpuscular and hematinic richness of the circulating fluid.

Weather

Temp.

Cold sprinkled a
little snow. Melba, Grace &
I went to church to night
We put Melba rabbits in
the drivers barn to night
Maude Thompson, road
home with us from
church to night.
