

April 27th Got three
jobs finished today
cleaning up strawberries
weeding peppers
and making hot-beds
for last year's planting
two Indian drawing
out manure - also.
weather cool and very
windy.

April 28th Sunday cool
cloudy + windy & looks
like rain this morning.
and it did rain hard
also this afternoon.

April 29th. Very cold
today cloudy + strong
north west winds
Started transplanting
tomatoes they are very
poor. too tall & soft

April 30th. Transplanting
tomatoes between show
May 1st. cold & cloudy
transplanting tomatoes
more rain - got our
new Planter home
but ground too wet to
try it out.

May 2nd stopped at
9:30 a.m. by heavy
rain was planting
Cucumbers. rained
all day.

May 3rd nothing doing
today every thing flooded
cold today. heavy winds
from the North West. &
cloudy. some rain & snow.

May 4th cold + cloudy
nearly frost at
night with north winds
