161 DAYS PAST

204 TO COME

Debility and Nerve Strain.

A physician practicing in one of the smaller cities in England states that he has noted excellent results from the administration of Pepto-Mangan (Gude) in cases of general debility and nerve strain.

Weather

Very Warm

Temp.

John & Mark went to the north place to make a partition between the west bedroom & north wall. Cevelin came & stayed Eugene went & Aymer & got Billy thro'd. I went to Aymer. Cevelin came & stayed with Maude while I went

Mydia & Billie 5-
