

1874

- July 20 raked & drew 5 loads from the north west field
- 21 The Revd Mr Robinson preached in the forenoon Mr Witt in the afternoon
- 22 worked in the potatoes with the cultivator that Mr Jones gave the Agri-culture Society it did its work well John has
- 23 finished the potatoes & mowing in the orchard
- 24 finished cutting the north field & began to cut in the middle field East side warm day
- 25 raked & drew in two loads from the north field ^{up to} the last one at the Barn gate had to leave it out all night
- 26 got that load in & 2 out of the orchard put the orchard hay over the horses got 2 loads from the middle field very heavy rain this afternoon
- 27 went to Marble Rock for lumber for the stable in the forenoon mowed in the afternoon John Johns went away this afternoon he would not stop any longer I paid him 5 dollars
- 28 The Revd Mr Witt preached this forenoon Mr Tap ^{afternoon} in the
- 29 mowed in the middle field east side heavy rain before dinner & most of the afternoon
- 30 mowed in the middle field & raked all ^{it} the garden
- 31 finished the mowing in the middle field & began to mow in the field below the house raked & cocked all in the middle field

Robert Beatty came up to help me to night he has got his haying done
