

FEBRUARY

MONDAY 11

(43-323)

1907

It was very cold I went to Mountain Station to see about the furnace went down and helped put load his beef I was up to Bill Bellerger in the evening it was quite rough 10-1918 It was nice in the morning and it began to snow some none of us went to church. Laura went up to Mr Morrisons 1918-11 It was quite a nice day I went up to Fred Bakers and brought the pig down from sailors I drew some manure and helped Mr Corley saw a tree down

TUESDAY 12

(43-322)

It was very cold Robert took the children to school we just done the chores and sowed up 1 pine log 1918 It was kind of soft it rained & snowed all day I washed the cows for the lice Jennet stayed down to fins all night the roads was bad

WEDNESDAY 13

(44-321)

It was cloudy and snowed a little about noon Dad and Bill Bellerger helped me in the bush Ray was quite sick Bill came down to see how Ray was in the evening 1918 It was a very nice day I drew manure all day there was a crust that would pretty near hold one up
