

# F

- 14 Saturday I went to Baptist creek ~~my~~  
~~wood~~ to measure my wood with  
 Richardson he has bot most of the  
 wood at the creek it is a fine  
 day it is like the month march  
 clear sun shine
- 15 Sunday we are home to day no  
 preaching it is a fine day agin it is  
 cold and wunday the water is drying  
 up very fast
- 16 Monday James Jardine & I went  
 to Chatham to day by the western  
 and came home agin the same day  
 it is very cold and high winds but  
 fine drying sun shine
- 17 Tuesday I am attending to stak & cutting  
 a little stove wood at the door it is  
 fine agin to day the water & mud is  
 drying up very fast it is freezing  
 hard at nights
- 18 Wednesday I commenced to draw logs up  
 to the house for stove wood in the  
 afternoon I broke my cruch & I had to  
 hunt timber to make another it is  
 another fine day sun shine
- 19 Thursday Cathrine Jardine went  
 to visit at Honsburger to day and  
 I made me a cruch to day and fixed some  
 of my fences on the farm to day  
 it is cloudy very like rain but bright  
 wheather it is nic & dry about the place  
 now there is no snow yet
- 20 Friday I am choring & cutting a few logs  
 for the machine for stove wood for the  
 house it is a fine soft day it is thourghly  
 pretty fast it began to rain to night  
 about 8 O'clock it rains pretty near  
 all night
