

fine in fore noon went up to Charlie's a little while Ossie and I came to the Bay in after noon came in by the farm and Nesbitt was having a bee. drawing wood. We stopped at Archie Elliotts I put a set of Batteries in Phone went back to Morton in evening Ross Gamble brought 3052 lb of Oats from the Station and stored at Labors. up to Charlie's for the rest of the evening

fine day went up to Charlie's Labors and helped to straighten up the ware house and weighted some Oats in fore noon I drove up to Mr Cockrills in after noon to see about selling them a cream separator and came from there to the Bay. went for Clifford we went back to Morton in evening Clark came with us Went down to Rob Scotts at 9 o'clock to help raise a horse stayed there untill 3 o'clock in the morning Ossie stayed all night. I rode up with W. J. Somerville as far as Village Gave. H. Wallis back from ^{as per cheque} x0627. as per agreement. A & Pellon vs. Myself. Re purchase of land.

Snowing and Blowing came up to the Bay with Horse and rig for Henry and Maggie to go down to Mothers but stormed so hard they did not go sat around the house all day Maggie and Henry went to English Church in evening Alton and I kept house some lonesome tonight.

Worked for Steary made Sausages Creamers finished up with him. went back after supper and settled up and gave him his key. went to William Moroughans and stayed untill Bed-time (went to bed full of Oysters) Cockrill called up and said they wanted a separator and wanted to know if they could put there horses in here if they came up to Mrs Randals funeral
