we had no minister. I attended the Sabbath school cold day

16 very stormy day with heavy fall of snow all day
James Fountain he left here with the intention of going
to the English Church at half past seven a clock. he has not come
back yet. James' horse & cutter was taken from our church
shed it supposes that he stole it they can get no account of it
17 the roads is completely blacked up. Ad is doing the
choses he let out the cattle to water this afternoon. they
was not out yesterday it was so stormy

18 Ad is fixing about the stables and Room cold day
and sawing wood he has to cut wood for both of us

19 Ad is retiding the circular saw here and the
back for the belt he leveled them put snow on
water about them so as to freeze them down

20 Don McNeil brought the horse power here. Ad
leveled and put it in its right place then
put snow and water around it so as to freeze it

21 Bruce and Freeman McInaull and a man
of Charly Stewarts come and they cut what
wood that Ad had here they filled the wood
shed cut more put it outside they took the saw to go

22

we had no minister. I attended the Sabbath school

23 Ad sawed what wood he had at his house
and they took the saw Wallaces went to file it
and that it was cracked

24 Ad drew a load of wood to Wm Thompson
this forenoon he then put part of his own wood
into his wood shed fine day

25 I went with James McNallen to Hugh McHenry
and Samuel Jananans on church matters we
had Kate and Dots culler. fine day whole frost

26 Ad drew oats and straw from here to his
stable he has no hay for the horses

27 Ad drew 2 loads of wood to the station fine day

28 Ad drew 1 load of wood there has a white
frost for three or four day the trees are every there
is covered with it it is quite warm & thawing
