

Monday, November 4

Weather - cool with some showers.

men picked apples till noon & finished the picking.

Norman ploughed all afternoon, Will picked up fallen spies.

Laura picked up a few sutton banty then Norman & Laura went up to Marguerites at night. John brought Mother up to stay with me, then went on to Unionville, (etc.) Will did not feel good all day so rode to Yonge St with Norm and went on to the city.

I washed to-day.

Will Brooke here in the afternoon for a while.

Tuesday, November 5

Weather - fair & cool.

Norman & I in for chores milking etc. as Will did not get back.

Norman ploughed all day.

Billy (horse) brought back this morning. Mother & I had a busy day mending.
