SAT. APRIL 23, 1898

Wea.

I got up and made the fire and attende to the bread, which I baked in fore noon. also pumpkin pies and hams. and after dinner I swept and dusted and then went out side and the boys and I made the hot bed, I saw a flock of wild geese going south which is a sign of cold

SUNDAY 24

Wea.

This is a beautiful day. George, J. A., and Willie Graydon went to Church, I did not go as I am not well enough to go, J. A. came in a little while in afternoon. The day seems long when I do not get to Church. I always like to go
