

Tuesday, October 4

Weather, Showery in morning then  
clearing with strong wind cooler  
Did some chopping first then worked  
at the mangels in afternoon  
Went to Richmond Hill for repairs  
for plough at night

Wednesday, October 5

Weather, Fine + warmer  
Norm & Les went to Hoppers to fill  
silos till half past two  
Fred & I went to Padjets to fill silos  
till noon  
In afternoon we got five large  
loads of corn from Padjets and  
put in silos
