mill¹³ we finished Solving the puzzle on the Capt's Spring Lane
rain most of the day split some women
with the ground house & street

2. Dan went to Yananayana with Jimmie Brown & Stuart
some time on with each other & put up the horses
on the bank and finished the work

21. Saw tonight 13 bags of rats from the same Barn in clean
stomachs & he took them to Lowell got them going faster

只只

Rev. Mr. Stone preached this morning

23 I began to plow in the middle field last time
the day when the thirl was is rather wet the plow
was not clean he then plowed the soil it did not

29 Jan played in the game field cold raw day. Two
at the Silk Buggy Shopper I have a bad cold

25 Sowed about 2 inches last night. the ground is all white
Don went down to the Buckwheat ground this
forenoon he plowed in the afternoon.

26 Don plowed all day cold day & fixed a pair of new shafts for the milk waggon.

27 Don is plowing in the same field today

23 Don finished plowing the 'sod ridges' that run North and South in that field calc day

29

Rev. M. Bailie preached this morning. M. Stone at night.

30 Dan plowed in the North half of the same field where the thistles is he got the plow paint laid I have been working at a Stone boat when I was alone I have a bad cold
