165 DAYS PAST

201 TO COME

"In debility resulting from typhoid and scarlet fevers, diphtheria, etc., Pepto-Mangan (Gude) is indicated as a general reconstructive."

Cold rained several times after dinner, Mella & I went to Aepher Maudie had her money changed & put in the Molokai bank, then we went down to Mr Leaverlies & we all went fishing caught a lot down in white's pond, John & Maudie was home, Albert was here, John helped them a little while to plant corn I planted nearly two hundred cabbage plants
