

Ther.

WED. AUG. 31, 1898

Wea.

I rose again and made the fire, and prepared the breakfast the boys went off to school, and we were busy again at the fruit drying apples and pears which keeps us busy most of the day. I fixed a pair of shoulder braces for George,

Ther.

THURSDAY, SEPT. 1

Wea.

After I had made the fire and we had eaten our breakfast, the boys went off to school, we then put some more pears to dry and also preserved some which kept us busy all day. Mrs A. B. Henderson and Mrs L. Higgins called
