

her bird home and we went over to
Agusta's then I took her home and
a carrying home I saw Bell Allen
w/ a cleaning the milk can and I
stopped and talked to her then I
came along by Mrs Skinner and I
went in there and got some plants.

10 Tuesday Pa and I made town and he
sent for my side saddle

11 Wednesday G. Petras over

12 Thursday I was to Gretie in the after
noon and in the evening her and her
ma and to our place they came and broo
ght some Turnips over.

13 Friday I went to Gretie in the morning
and we brought Will over he walked.
And in the evening Gretie and her
ma and Tommy came John took me
