91 DAYS PAST

275 TO COME

Valuable Points—Concluded.

Pepto-Mangan (Gude) is a combination of organic iron and manganese, and is free from the objectionable features of inorganic iron preparations.

Pepto-Mangan (Gude) is ready for quick absorption and rapid infusion into the blood, and is consequently of marked and certain value in Anemia, Chlorosis, Bright's Disease, Amenorrhœa, Dysmenorrhœa, Neurasthenia, etc.,—in all cases where a general tonic and reconstructive is desired.

Had a terrible thunder
storm last night & is
warm & muggy out this morn-
ing. Rained nearly all day.
He was all home today. I
sat up a little while off &
on
