AUGUST FRIDAY 11 (223-142) 1922

Fine warm day Clark Willis went home on stage this morning. I went over to farm with Cassie and Uncle Billie and finished up the Morton Bin and they run off most of the lime I worked on the Bay Window the balance of the day Uncle Billie stayed here all night tonight

SATURDAY 12 (224-141)

Fine day. Uncle Billie here Fine and I took Cassies car down to the farm and Cassie took over a load of sand we worked all day on the house I finished up the bay window and put on part of the cornice on the back of house around home in the evening

AUGUST SUNDAY 13 (225-140) 1922

Fine and warm today we did not get up very early Jac. Garfield and Percy Homer here for dinner around home nearly all day I did some writing in the evening

MONDAY 14 (226-139)

Fine warm day around home allday I pulled weed around Gord Slys lot in the forenoon. I Changed the tires on my car in the afternoon and pumped them up. Gerald Nellie Ida and Mrs Johnson and miss McBratney here Tonight
