Dixon's I sat for  $\frac{1}{2}$  doz. cards. A movie  
not. Jean A. J. C. cabinets there.  
Bot Net's cabinets come gloves went to G.A.  
office ate our lunch there with Adriene  
to talk to. G.A. came in, did not appear  
to know us, very cool he was just spot & all.  
Then we went down to Morant's wharf took  
Hastings steamer up to fair ground it  
was just lovely on boat very calm not a  
bit crowded. I forgot to say I counted  
thous all the time too in town, I got  
100' when I got to fair ground. Edith I  
would not count all of the saw for fear  
of getting 100 that day. We went through  
North hall first. Then E & I pointed from rest  
& we went to Palace in three long time, saw  
invalid's bed, lovely over fancy things.  
We got to fancy work at last a long time  
at that, lots of things made of cord. We  
A & L. S. O. there, & Edith I & Ann Carpenter  
at fancy work too. kept with them awhile
