

This day also fine with appearance  
 of rain I was letting off water & brought  
 home load of fodder in forenoon  
 Edgar helping Charlie finish straw  
 about 3 o'clock he was then sowing  
 barley in wheat While Clarence & I  
 were in garden sowing Onion seed  
 peas & radish

Went to Leatham to meet the  
 Council at Pike's office re gas franchise  
 which was granted on either Meter system at  
 15¢ per M. or flat rate \$1.50 for Cook & 2.00 for heater  
 stove per month
