

TUESDAY, AUGUST 30, 1870.

Charley and Will.  
have finished plough-  
ing the front field  
today.

I have not done  
much myself in  
the way of work but  
have been helping Peter  
Gilbert clean up some  
poor wheat. After  
we had done this  
we went out in  
search of some Sicil  
thrust for seed. Suc-  
ceeded at last in  
finding some at  
Clings.

O Lord, I want to  
Thee for guidance still.  
Through the way  
which thou leadest the  
pious heart I know  
that there art so wise  
in every path to be in kind.

WEDNESDAY, AUGUST 31, 1870.

One year ago today  
we were ploughing  
about. Today we have  
been doing the same  
in the front field.

Mr. Hall and  
Marisa were out here  
this afternoon.

What think ye of  
Christ? So be thou  
King of Kings, and  
Lord of Lords, having  
all glory in thine  
hands! Yet thou became  
our ransom, Priest  
and King, as well  
as our eternal  
Portion. What glo-  
rious position and  
inherifances has  
fallen to the meek  
and lowly follower  
of the Lord Jesus  
Christ.
