

Mr James Cameron Island Jan 18 1875

NEW YEAR'S DAY crossed with Gordon to
Harrington Landed below the lighthouse a good lot
of ice going down Gordon after the fore Gordon
going to stop at A J Baker for a few days
As A J is going up West to stop till he comes
Back then he is going out to Williamstown
to school (to 16 cents) & getting some got 2 papers at Hamilton
Kindgen West Wind 2nd freezing the wheel door put in the stack
Randolph and cleaning the stove and pipes Windy
Cold the ice would take only its 20 Windy breaking
the ice 3rd Allen's Birth Day chopping wood around
the cattle put Maid in the Big Shed very
cold the ice took from the Sturgeon Island
over to Christies to day but there is
in the Pishes open that wont take with
the wind the ice took across to night to
Alexis Island near morning a good many Ducks
and the White headed Eagle is after Ducks
that wounded or froze in or on the ice
Great Banks of Snow Drifts 4th Stormy
in the morning got calm snowing some high
West Wind Went down to Lower Point over
to the Pitt Point awful Banks of
snow ice not taken across a great many
ice holes chopping the wood feeding
the cattle extra these cold days 5th
Sunday cold and few 6th Drawing Wood
West Wind Went to head of the Island
and its very frosty steam boat channel
full of ice shore ice going down but dont
I am snow deep 7th chopping & drawing Wood
kind of Warm Went to the West end of the
Island lots of ice going down the channel
Cullowice 8th H. H. Ann's Birth Day 13
years old to day Went to upper end to see
the ice and its all opened out but the
snowing drifting cutting brush at the
Marsh bay. Stack
