246 DAYS PAST

MONDAY

120 TO COME

Dec. 22, 1906.

Dr. S. W. Hopkins, Lodi, California, says:

"Please accept thanks for my copy of the Physicians' Memorandum just received. I use it as a Day Book and in making an entry of my day's work and am reminded every day that there is only one **Pepto-Mangan (Gude)**, which I find frequently indicated in my practice."

I washed, Nella did
the other work & Maude
went to Kingmill for
Cora some things for the
thrashers. I sowed some
turnip seeds. Adams
was up for coal oil.
John helped Clarence
thrash.
