145 DAYS PAST

220 TO COME

The Essential Blood Bodies,

i.e., the red cells, are restored, and their structural integrity assured, by the steady administration of **Pepto-Mangan (Gude)**. By virtue of this improved condition of the vital fluid, nervous equilibrium is often restored and psychasthenia relieved, without irritating the digestive tract or disturbing any of the vital functions.

Rather a fine day

*I washed in the morning,
I drove the girls to school
went for them, John went
all day with the boys helped
Mrs Bentley plant corn, Joe
& I cleaned up the ash heap
& did odd chores. I did nearly
all my ironing to night -
ironed my kitchen curtains
