

July

SUNDAY, 24

(205—160)

1910

It was a very warm day we all went to Sunday school & preaching in morning. There was a big thunder storm. Uncle Jims old barn got burned with lightning.

MONDAY, 25

(206—159)

It wasnt with very good day hay day. Albert Bone fixed the cistern pump & went to the Station with 4 calves & a lamb. We finished cutting Archie hay & we sowed the turnips.

TUESDAY, 26

(207—158)

It rained some in the forenoon we finished cutting over the railroad & drove in up at Archie I went up to prayer meeting.
