

Thursday, November 8

Weather - rain all night colder in morning
with snow flurries for a while & cooler.
men ploughed all day.

Isobel went home in morning.
John was up for clippers.

Laura stayed all day with me.
new calf up the flats was brought
down to stable.

Friday, November 9

Weather - fine & cool.

men drew manure all day, Norman
repaired car between loads.

Laura went home this morning.
I churned 26 lbs butter in morning.
planted tulip bulks, took up dahlia's,
and went out to Craig's for a root of
honey suckle & California poppy.
Jean & Dorothy came up to stay with me.
