

May 13th. Started planting  
out Cabbages. ground  
very wet. but Cabbage  
getting big. so have  
got to put them out.  
had a few more showers  
again today.

May 14th. Planting Cabbages  
stopped at 4 o'clock  
has been raining since  
noon. have 8000 plants  
out now. shipped  
one batch asparagus to  
Toronto first this year  
sold at \$4.00

May 15th. Rained all morning  
again cleared up at  
noon transplanted the  
last of our tomatoes  
in Cabbage beds. have  
200 3 shelves wall

May 16th. Finished planting  
Cabbages down at old  
place. very wet yet also  
having old strawberry  
patch. Have about 10000  
Cabbages. will likely be  
cheap this year as they  
were dead last year

May 17th. Fine & warm with  
heavy south west wind  
having old strawberry  
patch. looks like rain  
at night

May 18th Sunday. looks  
like a rainy day. rained  
all night and still raining  
at 10 o'clock this morning.  
another big shower at  
noon. and very cold  
tonight
