

Mr. Angus McDonald's lunch for "Armenia
Helps Canada" and Mr. Porters' "Prayer
for Horticultural Float." Mrs. Beattie, Mrs.
Dyer and I went down to school ground
to see floats assembled, then Mrs.
Beattie and I came up here while
Mrs. Dyer dropped off at the Mause. Mrs.
Beattie and I walked down to see the
Roller rink. Just had soft floor
partly on - Community dancing to-
night. Took stuff off float & put it
away. Called at Biehn's in afternoon
to wait for Beattie. Went to grounds
in their car. (Party - Beattie, Missie
Hill & Bill Elliot - and myself) at 1.30
and got home at 6.15. Met Father
Cady, Mrs. McKay & Mrs. Middlebro
of Lewis Sound. After tea went down
town to get facts for London Free Press.
Took down account and typeset it
for telegraph. Duncan came up.
(Keith here to climb tree in the
morning to put up big flag & stayed
for breakfast.) Wrote to Dowry.
Played seven-up with Duncan
until 11 o'clock. Fire in grate.
Very cool all afternoon.
