

Aug 30th / 1893

Wed 30.

fine but cool after the rain
the grass is beginning to look quite
green again of the long dry spell.
A meeting was held in the factory
for the purpose of ascertaining
what step should be taken
as to the disposal of these the
money markets of the world are in
a bad state for Business men
at present and the Buyers were
asking the factory men to hold off
for their money for a while
it was decided to wait but the
cheese were to be shipped
Lovely day fine and cool
getting very cool at night
attended prayer meeting
at night.
