337 DAYS PAST

29 TO COME

Friday

IN GENERAL DEBILITY

following acute diseases, where the functions of the organism are in a state of depression, and in all cases where there is a diminution of the red blood cells and amount of hemoglobin, **Pepto-Mangan (Gude)** produces speedy relief, because it overcomes the derangement in metabolic balance, restores the erythrocytes to their normal power and stimulates the hematopoietic organs. The tissues take up the oxygen yielded by the hemoglobin, and the patient gains strength and weight.

A fine day. Mauch's went to school, John put the shingles on at least, patched the roof of the pig pen. Cecil Longwell & John Skinner was thrashing today. Melba is not so well. I have been sewing & mending didn't wash. Melba has been making handkerchiefs for Christmas
