

December, 1929.

10 Tuesday. Fair. Started to snow again this afternoon. Walter & Ezra made another trip to Hilliard's with old horses. Vernon & Harvey cut wood for Leon Wagner. Ella was at a mat bee at Mrs. Earl Diller's this afternoon.

11 Wednesday. Cold with nasty east wind blowing. We butchered 2 pigs for Lincoln Edler today and he was here all day. Vernon has a sore throat and spent the day in the house. Harvey & Lorne Reist spent the evening here.

12 Thursday. Somewhat milder. Walter worked around the stables today. Lewellyn Mask called on him.

13 Friday. Foggy and mild. Walter did the stable work this morning and he took Ella to the School Concert at Creekbank and went to Alma.
